- Fundraising
  - Diane Klieger is in contact with Nicole Caster for the getting the FaceBook auction going. Nicole does not have time. Kimberly Johnson said she would try and help Diane get started with the FB auction. Plan is to do one item at a time.
- New Business
  - Diane Klieger asked about the funds raised from the FB Auction, if they should be kept separately from the other funds (memberships, sponsorships, show entries, etc). And if each item auctioned would be designated for just youth sponsorships from the club. Nicole Holland motioned to keep all funds together, Lorraine Cincotta seconded, all were in favor. We did agree to have the sponsorship form updated saying the club donates to the youth every year in different ways, along with holding our open show with youth classes. Sami Ray said she would update that form and update it on the website.
